Local Information

Middlemarsh is a small hamlet in the heart of the peaceful Dorset countryside and within easy reach of Cerne Abbas, the ancient Abbey town of Sherborne and the historic market town of Dorchester. Also within easy travelling distance are lovely coastal attractions including Lulworth Cove, Weymouth and Lyme Regis.

Surrounded by beautiful countryside and villages, you'll find woodland walks, fishing, lakes, horse riding, golf & various museums including Thomas Hardy's cottage.

White Horse Farm has nearly two acres, consisting of the family home and garden. There's also a recreation room, paddock, garden and large duck pond; all of which are available to holiday makers.

The cottages are within easy reach of local inns at Cerne Abbas, Buckland Newton and Longburton. All serve good food and fine Dorset ales in a friendly atmosphere. We are also within a hundred yards of the well-recommended Hunters Moon pub.
